TECUMSEH LODGE
ORDER OF THE ARROW

August 2016
From the Lodge Chief

Fellow Scouters,

The Order of the Arrow is the national honor society of the Boy Scouts of America and is designed to recognize Scouts who best exemplify the points of the Scout Oath and Law in their everyday lives. To become a member of the OA Scouts must have earned the rank of first class, have completed 15 nights of camping including one long term camping experience, and have their scoutmaster's approval. Once elected, the Scouts participate in an Ordeal in which they help to improve the council camps and develop the ideals of the Order of the Arrow and the BSA. After this Ordeal, they become members of Tecumseh Lodge 65, which is composed of Order of the Arrow members from all over Simon Kenton Council. Through these Ordeals, our Lodge provides thousands of man hours every year to the council camps. Because of this, the Order of the Arrow has traditionally maintained a sense of love and commitment to the camping program in Scouts.

As members of the Order of the Arrow, one of our duties is to promote camping among fellow Scouts. We are after all a society of honor campers. Because of this, it is our honor and privilege to provide fellow Scouters in Simon Kenton Council with this guide. We have designed it to provide essential information on camping throughout the council and all over the state. This publication details the various amenities of each camp including information on the facilities, costs, locations, and camping spaces, which can be found in the links provided, in addition to information for state and national parks in the area. It is our intention that this guide can be used when planning campouts and troop events. We hope you find this guide a useful resource for your troop.

This guide was put together by the youth of Tecumseh Lodge. We believe that camping is an essential part of the Scouting movement and we look forward to providing continuing support to our council camps in the future. Thank you for your support and continued dedication to the camping program.

Yours in Scouting,

David Prentice
Lodge Chief
